“

Using Well@Home makes it so much easier to get a variety of allied health services my clients need, with really quick access to appointments.”

– Kath, Care Manager

Well@Home your allied health partner

For Home Care Packages

Well@Home makes client care easy

Fast, reliable, high-quality allied health services tailored to your Home Care Package clients.

We take the time to understand you and your clients' unique needs, delivering the care they deserve – and making it easier for you!

It's better care for your clients, less hassle for you, and a partnership you can count on!

What are the benefits for you?

Our specialised, dedicated team means you can expect:

- > Fast access to appointments
- > Flexible service delivery (in-home or in-clinic, short or long-term)
- > High-quality care from experienced clinicians
- > Simple referral process with dedicated intake support
- > A wide range of allied health services available

Who can access this service?

Any Case Manager that services Home Care Package clients in Northern Metropolitan Melbourne.

Alternatively, clients can self-fund these services in full, or as a top-up over and above what their package will provide.

“

I love the physio! Got me exercising a bit and it's made a difference in the fact that I can still walk.”

– Ken, client
